

Topic: Evolution

Novel: Beowulf.

This term in Year 6, our topic is evolution. Below is a range of activities that children can do at home to further their learning in all areas. All work is to be handed in by 26th May 2024. For tasks completed, the children will be awarded dojo points! We would love every child to complete 30 dojos worth of work. We are so excited to see your wonderful work!

5 dojos	10 dojos	15 dojos	20 dojos
Choose 3 animals and explain how they are adapted to their habitats.	Find two examples of fossils and draw them.	Choose 4 different birds. Draw pictures of their beaks and explain how they are adapted to eat their food.	How would you like to see humans evolve to survive in modern times? Choose at least 4 things you would change about humans. Create a poster explaining what you would change and how this would help humans to survive in modern times.
Draw a diagram showing how an animal has evolved over time.	Make a poster about a species of dinosaur. Explain how it was adapted to its habitat. 	Draw a picture of a DNA molecule and explain how DNA affects humans.	Create a poster for children explaining what evolution is.
Find out 4 facts about Charles Darwin.	Research an animal which has become extinct and explain why its species was unable to survive. 	Create a junk model of a DNA molecule. 	Create a salt dough fossil of your own at home. There are lots of easy guides to be followed online.
