

Practise mark making at home, but make sure you are holding pens and pencils with your pinchy fingers. Having the correct pencil hold is key to forming letters correctly when you start to write letters and words.

Share a story at home each day, it doesn't matter if it is the same story. Having stories read to children is so important at this age, it really does make all the difference to their future learning capabilities.

Practise counting to 10, making sure you say all the number names in order. Count your toys, making sure you count each quantity correctly, you may want to move each toy as you count it to make sure you don't count the same toy twice.

Plant seeds at home and see what you can grow. Don't forget to add some photos to Dojo so we can see how you get on being a gardener.

*Home learning activities are not mandatory, you can do as many or as few as you would like to. If you do choose to do some of the home learning, please bring it in to share with your friends, or add photos of what you have done to Dojo*

Enjoy bathtime with containers, discuss how they can be 'full', 'empty' and 'half full'. How many small cups will it take to fill the large cup - investigate and explore while getting clean.

See if you can remember all the words to our new song, There's a Tiny Caterpillar on a Leaf song. Teach it to your family at home.

Look out for signs of Summer. Have all the trees got green leaves? Can you see sunflowers growing in gardens? Have you got out your paddling pool yet?

If your child is moving to Reception in September, start talking to them about the changes. New classroom, new teacher, wearing a uniform, having lunch in a dinner hall. There are many stories which help with this transition.
